GRANTING OF FELLOWSHIPS IN THE COUNTRY LINKED WITH PRINT/UFPE RESEARCH PROJECTS

(Public Notice Print/PPGBV nº 01/2019)

The Graduate Program in Plant Biology (Programa de Pós-Graduação em Biologia Vegtal – PPGBV) of the Federal University of Pernambuco - UFPE, through the Pro-Rectory of Research and Graduate Studies (Propesq), makes public the present call for selection of beneficiaries of research scholarships linked to research projects for the year 2019 of the actions financed by the Institutional Program of Internationalization (Programa Institucional de Internacionalização - PII) of UFPE, within the scope of the Institutional Program of Internationalization - Capes/PrInt, according to the norms of Capes Public Notice no. 41/2017, in accordance with the requirements and procedures established by Capes in its normative instruments (Capes Ordinance no. 289, of December 28th, 2018, no. 201 and no. 202, of October 16th, 2017, no. 08, of January 12th, 2018, and other relevant instruments), as well as respecting the provisions of Propesq Notice 01/2018, which selected the international cooperation projects that are part of PII/UFPE.

1. Objectives

1.1. The selection of beneficiaries of scholarships/grants linked to research projects for the year 2019 by the Institutional Project of Internationalization (PII) of UFPE seeks to:

1.1.1 Encourage the construction, implementation and consolidation of UFPE's strategic internationalization plans in priority areas of knowledge;
1.1.2 Stimulate the formation of international research networks aiming to improve the quality of academic production linked to stricto sensu graduation;
1.1.3 Expand the support actions for internationalization in UFPE stricto sensu Graduate Programs;
1.1.4 Promote the mobility of professors and students, with emphasis on sending Brazilian doctoral students, postdoctoral associates and professors abroad and to bring them to UFPE, linked to stricto sensu graduate programs with international cooperation;
1.1.5 Promote the transformation of UFPE to an international environment;
1.1.6 Integrate other actions of research funding of UFPE to the internationalization effort.

2. Themes, types of scholarships, grant values and number of scholarships/grants under PrInt-PPGBV

2.1 Theme: "Same origin, different result? Effects of diploidization on allotetraploids of Dilatata group in genus Paspalum (Poaceae)".

Analyze the genomes of allotetraploid species of the Dilatata group of Paspalum to determine the consequences of the diploidization process in the genomic diversification of species with common or very close origin.
2.1.1 Type of Scholarship/Grant, Institution of destination, Duration, Grant value in Brazilian Real and number of scholarships

3. Requirements

3.1 Applications to the Visiting Professor in the Country modality must obey the norms of Capes Public Notice no. 41/2017, in accordance with the requirements and procedures established by Capes in its normative instruments, in addition to the following requirements:

3.1.1 The application must be requested by the Coordinator of the Graduate Program in Plant Biology, part of the Institutional Project of Internationalization of UFPE within PrInt/Capes;
3.1.2 Mandatorily, to be a professor or researcher with recognized expertise in their area;
3.1.3 Holder of a doctorate title;
3.1.4 Have scientific production in the area of the Graduate Program in Plant Biology, where it will act;
3.1.5 Meet the requirements set forth in Capes Public Notice no. 41/2017 and the Regulations for Foreign Grants, annexed to Capes Ordinance no. 289/2018 - which can be found on Propesq website at www.ufpe.br/propesq/bags;
3.1.6 Curriculum Lattes updated within the last 30 days;
3.1.7 Provide an ORCID record that provides a unique identifier for the academic and research area. Registration is free and can be done at https://orcid.org/;
3.1.8 Submit a statement signed by the candidate stating that he/she agrees with the work plan and its respective implementation schedule;
3.1.9 Failure to comply with these requirements will disqualify the proposal.

3.2 Applications for the scholarship must be presented to the respective PPGs, according to their specific internal schedules (Item 5.1), containing the following documents:

3.2.1 Copy of RG (identity card) or passport, if foreign;
3.2.2 Statement signed by the applicant stating agreement with the work plan and its respective execution schedule, including ORCID number and link to Curriculum Lattes, which should have been updated within the last 30 days;
3.2.3 Acceptance letter from supervisor, using the institution letterhead, approving the research plan, stating the project title and informing start and end month/year of the internship;
3.2.4 Research plan (see model in Appendix I of this Notice)

3.3 The applications approved by the Internal Selection Committee of the PPG shall be forwarded to Propesq within the deadline set forth in this Notice’s Schedule (Item 5.1);

3.4 PPG shall forward to Propesq the following, in addition to individual documents submitted by successful candidates:

3.4.1 Copy of the internal selection process minutes.
4. Propesq attributions

4.1. Receive applications sent by the PPGs and verify the completeness and adequacy of the respective documents;
4.2. Advise on the disclosure of the final result of the selection process, containing the list of contemplated students/researchers, in the electronic website of PPGBV, Pro-Rectory (www.ufpe.br/propesq) and/or PrInt at UFPE (www.ufpe.br/print).

5. From the Schedule

5.1. The selection process of PrInt UFPE Public Notices of each Graduate Program for projects linked to the CAPES PrInt Program within the scope of UFPE must respect the following schedules:

<table>
<thead>
<tr>
<th>Referral of the final result of the selection to Propesq</th>
<th>Indication of Scholarship recipient/beneficiary in SCBA</th>
<th>Start of scholarship/work/scientific visit</th>
</tr>
</thead>
<tbody>
<tr>
<td>03/JUN/2019</td>
<td>03/JUN to 30/JUN/2019</td>
<td>SEP to OCT/2019</td>
</tr>
<tr>
<td>01/JUL/2019</td>
<td>01/JUL to 31/JUL/2019</td>
<td>NOV to DEC/2019</td>
</tr>
<tr>
<td>01/AUG/2019</td>
<td>01/AUG to 30/SEP/2019</td>
<td>JAN to MAR/2020</td>
</tr>
</tbody>
</table>

5.1.1. The selection process mentioned in this notice will occur according to the schedule below:

5.1.1.1. Notice publication: 17/JUN/2019
5.1.1.2. Deadline for submitting proposals referent to this notice: Until 27/JUN/2019
5.1.1.3. Referral of the final result of the selection to Propesq: 01/JUL/2019
5.1.1.4. Disclosure of Results: Until 15/JUL/2019
5.1.1.5. Implementation of grant/benefit: from 01/JUL/2019.

6. Scholarships in the Country

6.1. Visiting Professor in the Country (Brazil): to attract recognized professors that work and live abroad to teach courses, workshops, lectures or in person seminars, throughout the duration of the Institutional Internationalization Project;
6.2. Teaching activities carried out in the country by any one of the fellows, in the modalities described above, should be recorded for on-line transmission and posterior availability, whenever possible.

7. Submission of Proposals

7.1. Proposals must be submitted to the PPGBV Secretary, in accordance to the deadlines set forth in this Call for Proposals, and will be submitted to the coordinator of PrInt/UFPE Graduate Program, by completing an electronic form available on the Propesq website or at the address https://goo.gl/forms/zkeKjpvle4debmi53, according to the schedule in item 4.

8. Review Process and Criteria for Judging Applications

8.1. Applications submitted for Visiting Researcher in the Country (Brazil) will be analyzed by PPG Plant Biology according to the following criteria:
8.1.1 Adherence of the proposal to the theme;
8.1.2 Impact of the proposal on the improvement of the research performance and internationalization of the graduate program;
8.1.3 Viability of execution of the work schedule, considering the period of permanence and the infrastructure of the PPG;
8.1.4 Intended for countries approved under PPGBV PrInt-UFPE, mentioned in each theme/modality of item 2 of this Notice, which are included in Appendix I of Notice No. 41/2017 of Capes (https://tinyurl.com/y7qzyc5s).

8.2 The analysis of merit will be preceded by a technical analysis of the adequacy of the proposals to the terms of this Notice and Capes Notice no. 41/2017, as well as the procedures established by Capes in its normative instruments (Capes Ordinance no. 186, of September 29th, 2017, no. 201 and no. 202, of October 16th, 2017, no. 08, of January 12th, 2018, and other relevant instruments).

Recife, June 10th, 2019.

Inara Roberta Leal
Coordinator of the Plant Biology Graduate Program (Programa de Pós-Graduação em Biologia Vegetal)-UFPE

Ernani Carvalho

Appendix I

RESEARCH PLAN – Visiting Professor in Brazil - TEMPLATE

Study/Research plan, 15 (fifteen) pages limit, with a schedule of activities, including specific experimental or laboratory infrastructure. Must contain the following items:

a) Title
b) Introduction and justification, presenting theoretical background and adherence to the theme;
c) Objectives, with definition and clear delimitation of the study object;
d) Methodology to be used;
e) Schedule of activities;
f) Contribution of the curriculum to the promotion of teaching, training and learning, when applicable;
g) Potential for the improvement of the research and education network, with new techniques and partnerships, in addition to wide dissemination of results;
h) Relevance for the scientific and technological development of the area in Brazil in the medium and long term;
i) Relevance to the economic and social welfare development of Brazil in the medium and long term;
j) If the syllabus predicts/meets the national and international ethical standards, when relevant.
k) Bibliographic references.
